ABOUT US

Leading supplier of premium goods meant to satisfy the needs of its consumers, Crovay Natural Solutions S.L. Company presents a broad spectrum of creative ideas, their main focus is to emphasize providing outstanding value, dependability, and customer satisfaction.

Broken Rice

Our flexible, reasonably priced substitute for whole grains is broken rice. It is perfect for soups, stir-fries, and cereal, its smaller grains cook quickly and absorb flavors brilliantly.

Powdered Milk

Take advantage of the shelf-stable, flexible dairy option powdered milk offers. It is best used for baking, drinks, and emergency supplies, it gives a creamy taste and vital minerals.

Condensed Milk

Useful for baking, pastries, and beverages, sweet and creamy our condensed milk is a flexible pantry mainstay. It is made from sugar and creamy cow's milk, it has a silky texture and decadent taste.

Olive Oil virgin extra

With our Extra Virgin Olive Oil, taste the unadulterated nature. It is rich in flavor and smooth texture, cold-pressed from the best olives. It is perfect for drizzling, cooking, or dipping.

Organic Olive oil

With our Organic Olive Oil, savor the very core of nature. It is made with excellent, hand-picked olives, cold-pressed gives unparalleled taste and health advantages.

Nuts

With our finest nuts, find the ideal snack! It is filled with natural deliciousness, they have a wonderful crunch and taste. It is perfect for baking, topping foods, or a snack.

Apples

Our apples are crisp, juicy, and naturally sweet that are perfect for any time of day. They are packed with vitamins, fiber, and antioxidants, which help to lead a good life.

Essential oils

Use our pure essential oils will change your wellness regimen. Taken from the best botanical available, they support vigor, balance, and rest. They are perfect for aromatherapy, massage, or do-it-yourself projects.

Vegetable oils

Our Vegetable oils are perfect for fries, baking, and dressing. They are flexible cooking basics sourced from plants. Taken from fruits, nuts, or seeds, they provide heart-healthy effects, great minerals, and natural tastes.
